## Catalogue of Books, Microfiche and CD-ROM.

Last updated - 1<sup>st</sup> May 2010

The Society is pleased to be able to offer for sale a large number of books covering transcripts of baptism registers, marriage registers, burial registers and miscellaneous subjects.

The price for each item is :-

£2.50                      inc. U.K. Handling

£3.90                      inc. Overseas Airmail & Handling

£3.35                      inc. Europe Handling

unless otherwise stated.

Not all the parish books are available yet - shown in catalogue as **NYA** There must also be a book code against the parish.  
Please check that the dates you require ARE available.

A book may not cover all the years available because of the number of entries limited in producing a book. Some parishes have an individual book for each year of the event and it maybe necessary to purchase a number of books to cover the event for the period required.

All books may not necessarily have events recorded for each year within periods stated. What is included in these cases reflect only those events that the Society has been able to locate during the time span shown. Please ensure you order the correct parish and if you cannot find the required parish it may

have a prefix of North, South etc. or a different name to the town, etc.

The list will be updated on a regular basis so watch the Historian and the web site for announcements.

A full list of books available can be found on the publications page of our web site at [www.devonfhs.org.uk](http://www.devonfhs.org.uk)

The parish books cover the entries in the registers, which have been extracted, for Baptisms 1813-1839, Marriages 1754-1812, Marriages 1813-1837 and Burial 1813-1837.

Please complete the enclosed order form on our web site and make payment by Debit/Credit card via our secure site, ensuring THAT you state your name, address, item description, book or item code and price.
