

MAKE A FAMILY BOOKLET

- Using all of one sheet of paper, draw or paint a picture of a family member.
- You might like to start the booklet with yourself.
- Get another piece of paper the same size and choose some questions to record important things in their life.
- There are some questions in the “Getting Started” section of this Acorn site that might give you some ideas.
- Interview the person you have chosen and write down their answers.
- Repeat this for as many family members as you can.
- Stick the pages into a scrapbook or ask an adult to help you staple the pages together.
- Decorate your booklet.
